

**TechConnect**<sup>SM</sup>  
OnLine. OnCall. OnSite.

As a JM customer, you have access to TechConnect<sup>SM</sup> — your single source for comprehensive insulation knowledge and installation advice. We can help you solve even the most complex insulation challenges. With support available online, by phone and in person, no insulation question goes unanswered — helping you ensure the right installation the first time, every time.

## Connect to Insulation Expertise

### 3 WAYS TO GET THE ANSWERS YOU NEED

JM TechConnect is the industry's most comprehensive pro support program, with access when and where you need it — whether it's a quick search on the TechConnect online knowledgebase, or dedicated, personalized support from a technical expert.

OnLine

#### ON-DEMAND INSULATION RESOURCES

**An up-to-date and continually growing digital resource**

is available 24/7 — and it's easily accessible on your smartphone for quick reference in the field.
