## ValuTherm™ Polyisocyanurate Now Stocked in South Gate

In Southern California, we are now improving our distribution partners' flexibility by stocking ValuTherm branded polyiso in our South Gate, CA modified bitumen facility. ValuTherm is JM's discretionary brand of polyiso that provides high thermal insulation value in built-up, mod bit, and single ply membrane systems. Distribution partners will now be able to mix trucks of mod bit with polyiso coming out of South Gate. With no minimum number of pallets, distributors can top-off weight-limited mod-bit trucks with polyiso to fill the truck. This mixed truck program applies to the following SKU's that will be stocked in South Gate.

SKU Number	Material ID
90001191	ValuTherm 1.5" 48x96
90001192	ValuTherm 2.0" 48x96
90001441	ValuTherm 2.0" 48x48
90001193	ValuTherm 2.5" 48x96
90001634	ValuTherm 2.6" 48x96
90001447	ValuTherm 3.3" 48x96
90001455	ValuTherm 3.5" 48x96
90001438	ValuTherm Tapered 0.5-1.5" 48x48 X
90001439	ValuTherm Tapered 1.5-2.5" 48x48 Y
90001440	ValuTherm Tapered 0.5-2.5" 48x48 Q

Please contact your customer service advocate to learn more about our new polyiso stocking position in South Gate, CA.
