JM TPO Launches a New JM TPO Walkpad Produced in Scottsboro

The new JM TPO Walkpad now produced from our Scottsboro plant will be available to order and ship from the Tracy stocking location beginning February 6, 2015. The new walkpad will be available in Hazle Township and Scottsboro in either late February or early March pending the depletion of current inventories. All locations will be stocked with the new JM TPO Walkpad by March. The price pages will be updated to note the new SKU and stocking locations.

	Product Name	Material ID	Size	Stocking Locations
New	JM TPO Walkpad	90017894	30" x 50'	Scottsboro, Tracy* , Hazle Township
Old	JM TPO Walkpad	70000334	30" x 50'	Scottsboro, Tracy, Hazle Township

**Based on current inventory levels of the old sourced walkpad, Tracy will begin shipments first in early February.*

Product Overview

Other than the weight of the roll, the new JM TPO Walkpad has the same attributes as the current offering:

- Size: 30" x 50'
- Coverage rate: 125 ft²
- Color: Grey
- Recycle content: 50% post-industrial
- Weight: 58-lb/roll (this is lighter than the old one)
- Same tread pattern
- Application requirements - see application instructions for mechanically fastened or fully adhered systems
- Pallet configuration: 16-rolls/pallet

Information on the product will also be available on the Web.
