## Stone Wool Product Line Update from Johns Manville

We regret to announce that the stone wool product line is no longer available to Johns Manville (JM) for sale in the market. Specifically, JM will no longer be offering the following products:

- ENRGY Wool™ and ENRGY Wool™ CF
- DuraStone™ and DuraStone™ CF
- DuraStone™ Cant
- DuraStone™ Tapered and DuraStone™ Tapered CF

JM is working with the supplier to honor all open orders. In addition, we are working closely with our supplier to be able to honor all quotes currently open with JM.

JM will not be able to approve any non-JM branded stone wool systems for Peak Advantage® Guarantees or points in the Peak Advantage Contractor Program moving forward. Please contact our Guaranteed Systems Group for questions regarding any stone wool roof system.

Again, we apologize that this product is no longer available to JM and are sorry for any inconvenience this action has caused.
