## Johns Manville Discontinues SeamFree™ Liquid Membrane

Effective immediately, the SeamFree™ product line has been discontinued. There is currently no stock of the product. However, JM will continue to honor our Peak Advantage® Guarantees. SeamFree™ PMMA will continue as the only product offering for liquid applied membranes.

For learning opportunities and demonstrations on SeamFree PMMA, contact your local sales representative. Check out all of the videos and supporting documents on the [product page](#) at jm.com.
