## Johns Manville Approved Asphalt Supplier Update

Johns Manville is pleased to announce a partnership with Bitumar, OC Trumbull, and United Asphalt for packaged and bulk asphalt used in JM Peak Advantage Guarantees. Asphalt is a core business for each of these suppliers with a proven performance in quality, service, and dedication to the packaged and bulk asphalt market. All products meet the current ASTM D312-15 standards and can be purchased through current channels.

Effective June 1, 2016, JM will require the use of one of these approved asphalt suppliers to qualify for a Peak Advantage Guarantee. Please see map for coverage areas.
