Johns Manville Expands TPO Offering

The JM TPO portfolio now offers two membranes with a heavier fleece back (8 ounce) for hot asphalt applications only. JM currently offers a 3 ounce fleece back TPO option for fully adhered systems which will continue to be available for these applications.

Product Additions:

SKU		ML	Size	Color
90024979	JM TPO FB 150	60	120" x 75'	White
90025016	JM TPO FB 175	80	120" x 50'	White

Installation for these membranes should follow the same application and specification guidelines as *JM Single Ply with Redundant Bituminous Systems*. When installed in accordance with JM installation guidelines, these systems are eligible to receive a NDL JM Peak Advantage[®] Guarantee.

For additional information on minimum requirements and lead-times, contact your local JM sales representative or customer service advocate.
