Johns Manville and Cadamar Group Announce New Partnership

Johns Manville (JM) is excited to announce our new partnership with the Cadamar Group for the state of Florida (with the exception of the panhandle west of Tallahassee) effective January 1, 2019. This new union of Johns Manville and the Cadamar Group allows JM to better serve our customers with responsive service levels and quality products.

Cadamar Group was founded in 1979 and has been under its current management for over thirty years. Their team of sales and service professionals strive to offer best-in-class service and support to the efforts of architects, specifiers, consultants and building owners, with an established base of qualified contractors and distributors.
