Johns Manville Announces New Partnership with Performance Roofing Associates

We at Johns Manville (JM) are very excited to formally announce our new partnership with Performance Roofing Associates (PRA). PRA is a well-established reputable organization made up of 26 professionals who are known for their extensive industry knowledge and level of service.

This partnership became official February 1, 2019 and includes the states of Delaware, Pennsylvania and New Jersey. View their full directory [here](#) that outlines the contact information for key representatives and their respected geographic priorities.

We firmly believe that this strategic alignment will only help provide the market with an unsurpassed level of service.

Thank you for your continued support and business!

Markian Duma
Northeast Regional Sales Manager
