Introducing JM Acrylic and Silicone Coatings

The JM Liquid Coatings line has expanded to include Acrylic, Acrylic CR, and Silicone into the portfolio. The focus of these products is to extend the life of an approved existing roofing system.

Installation, specification, data sheets and supporting product information are located on www.jm.com/roofing under Coatings.

Please contact JM Guarantee Services for specific system requirements and guarantee terms at 800-922-5922 option 2.

Products included in the launch:

JM Coatings Offering
JM Coating Universal Base
JM Coating Single Ply Primer
JM Coating Acrylic - 5, 55, and 275 gallons
JM Coating Acrylic CR
JM Coating Acrylic Flashing
JM Coating Silicone - 5 and 55 gallons
JM Coating Silicone Flashing
JM Coating Field Polyester Reinforcing Fabric 40" x 324'
JM Coating Polyester Reinforcing Fabric - 4", 6" and 12" x 300'
JM Coating Repair Tape - 4" and 6" x 50'

For additional information, contact your local JM sales representative or customer service advocate.
