Changes to JM Two-Part Urethane Insulation Adhesive Drums

Johns Manville currently offers Two-Part Urethane Insulation Adhesive in various packaging volumes to meet project specific application needs. This offering includes 15-gallon and 55-gallon drums which are dispensed with specific equipment and generally utilized on projects requiring coverage over a large area. Various updates to this offering are being made to include the following items:

Volume Change 55 gal to 50 gal

SKU	Old Description	New Description
70000639	Two-Part UIA Classic Part-1 55 Gal (Full Coverage)	Two-Part UIA Classic Part-1 50 Gal (Full Coverage)
70000640	Two-Part UIA Classic Part-2 55 Gal (Full Coverage)	Two-Part UIA Classic Part-2 50 Gal (Full Coverage)

This change to 50-gallon volume creates consistency with similar product offerings in the market.
