2023 Roofing Institute Training Center Dates

The Roofing Institute is excited to relaunch In-person Training! The training takes place at our Rockdale Training Center and is now taking registrations for 2023 Peak Advantage® Contractors. We invite you and your crew to sign-up for in-person, hands-on training to stay up to date on the latest low-slope roofing technologies and applications.

Dates and classes available for Q1 2023 are listed below:

Week 1: January 24 – 25, 2023

- TPO (1.5 days)
 - January 24: 8:00 am – 5:00 pm
