Hillsboro, TX Distribution Center to Open December 6, 2021

Construction of Johns Manville's new 420,000 sq ft polyiso plant and distribution center in Hillsboro, TX is nearing completion! The first operational portion of the building will be the roofing systems distribution center, scheduled to open on December 6, 2021. As a result of this opening date, please note the upcoming changes to the distribution center in Grand Prairie, TX and review the [new instructions](#) for customer outbound shipments and pick-ups in Hillsboro, TX.

Key Dates:

- **Friday, December 3, 2021: Grand Prairie, TX distribution center will be closed** to finalize the transition to our new Hillsboro, TX facility.
- **Monday, December 6, 2021: Hillsboro, TX distribution center will open** for outbound shipments and customer pick-ups. The new center is located at 858 Johns Manville Drive, Hillsboro, TX 76645.

Thank you for your continued partnership with Johns Manville. Please contact your JM Representative for more information.
