**Features and Components**

**Use:** For use with JM BUR and SBS membrane products. JM PMMA Catalyst is a reactive agent used to initiate curing of JM PMMA liquid resins and primer.

**Type:** Catalyst for two-part, elastomeric, liquid-applied PMMA systems.

**Color:** White Powder

**System Compatibility**

This product may be used as a component in the following systems. Please reference product application for specific installation methods and information.

**Peak Advantage® Guarantee Information**

- Systems:
  - Any JM SBS or BUR roofing system.
  - JM PMMA Membrane system.
- Guarantee Term: Up to 20 years*

*Contact JM Technical Services for specific system requirements or guarantee terms.

**Installation/Application**

- The amount of catalyst added is based on the specific product, weight of the resin used and temperature.
- Please refer to JM PMMA application instructions.

**Packaging and Coverage**

- Container Size: 50 pre-measured 0.1 kg bags
- Boxes per Pallet: 60 boxes
- Shipping Weight: Approx 11.2 lbs

**Storage**

- Shelf Life: 12 months from manufacture date
- Storage Conditions: Clean, dry, indoor environment in an unopened container
- Temperature Range: <80°F (27°C)

**Mixing Resin and Catalyst**

Thoroughly mix the entire drum of resin for 2-3 minutes before each use, and prior to pouring off resin into a second container if batch mixing. Add pre-measured catalyst to the resin component, stir for 2-minutes using a slow-speed (200-400 rpm) mechanical agitator or stirring stick.

The amount of catalyst added to JM PMMA resins, primers, and paste varies based on the resin type, quantity of resin to be used and temperature. Catalyze only the amount of material that can be used within the resins specified pot-life. Refer to individual product data sheets for specific recommendations and requirements for the resin being used.

**Precautions**

Always store closed containers in a cool, ventilated and dry location away from flame sources. MAY CAUSE FIRE IF STORED IN DIRECT SUN OR AT TEMPERATURES OVER 86°F (30°C)

Refer to the Safety Data Sheet and product label prior to using this product. The Safety Data Sheet is available by calling (800) 922-5922 or on the Web at www.jm.com/roofing.
