

JM ALL SEASON SPRAYABLE BONDING ADHESIVE

SINGLE PLY ROOFING

COMPLETE MORE JOBS THIS WINTER

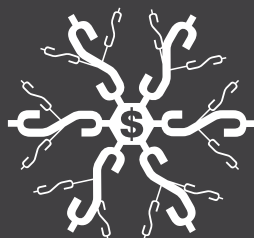

- Wide application temperature and quick flash-off times allow you to complete more jobs when cold weather would normally leave you sitting on the sidelines
- You will find this spray-on application is significantly faster than the roll-on method, getting you started on the next roof even sooner
- Easy clean-up so you spend your time on value-added activities

FEATURES & BENEFITS

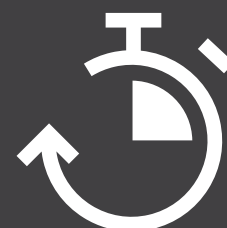

INSTALL MORE THIS WINTER

FASTER ADHESIVE APPLICATION

LESS TIME CLEANING UP

»» GUARANTEES YOU CAN DEPEND ON

Johns Manville offers one of the most comprehensive guarantees in the roofing industry. That's the advantage you can expect from a longtime, dependable leader with the financial backing of Berkshire Hathaway.
